

## Statement of Inclusion

Cavan Sports Partnership welcomes all members of the community, regardless of their age, gender, ability, disability, race, religion, ethnic, origin, creed, colour, nationality, social status or sexual orientation to have a genuine and equal opportunity to participate in sport and physical activity at all levels and in all roles.

We recognise that not everyone has equal access to opportunities for participation in sport and physical activity. As an organisation, we are committed to offering programmes that engage underrepresented groups and support community-based activities to ensure they are fully inclusive.

Cavan LSP will endeavour to comply with the Equal Status Act 2000-2012, The Disability Act 2005 and Article 30.5 of the United Nations Convention on the Rights of Persons with Disabilities. We are also committed to fulfilling the requirement of the Sport Ireland Policy on Participation in Sport by People with Disabilities and will continue to advocate clubs/organisations sign up to the Sport Inclusion Disability Charter.

**Our Vision:** Sport and Activity for life, for all

**Our Mission:** At Cavan Sports Partnership, our goal is to foster inclusion by consistently enhancing opportunities for individuals of all abilities to engage in sport and physical activity. We will regularly assess our approach and collaborate with clubs, disability services, and community groups to ensure that Cavan Sports Partnership remains fully inclusive for all.
